Name Age Address

This is to certify that Mrs Tanya Paul 46yrs
had undergone hysteroscopy guided cervical
polypectomy under my care on 3/6/22 at UMRI
because of frequent spotting/bleeding p/r. VIP Rd Teghoria

This procedure is not related to
infertility since the pt is not planning
or wanting any further pregnancy

The above mentioned procedure was to cure/remove
the offending cause of ~~int~~ frequent spotting/bleeding
p/r.
